Paul,

Here is the letter you requested.

To Whom it May Concern,

Let this serve as a legal document confirming that writer-director Paul Castro is the only person that I grant the right to write and direct the feature film version of my life story and the book version as well. This includes the portrayal of Jackie Goggins Gardner,

my mother and her life represented in my story. In my absence, I grant Jackie Goggins Gardner the authority to make any necessary decisions. Any changes to the screenplay or the book must be first granted permission by me, David Goggins in writing.

A more detailed version of this document is to come.

This letter serves as confirmation that Paul Castro is the only person I grant permission to bring my life story to the world via feature film and/or book. Also, Paul Castro is the only person directing my movie!

Thank you.

Respectfully,

David Goggins. February 18, 2015
